

Together We Can Prevent Underage Drinking and Prescription Drug Abuse: Their Future Depends on U

Underage drinking and prescription drug abuse are problems that can be prevented. Come to a Town Hall Meeting to learn steps you can take to help to keep your family and community safer.

For a map of participating communities with times and locations, and to learn more about the Town Hall Meetings happening in more than 50 communities across Massachusetts visit
www.stopalcoholabuse.gov/townhallmeetings

More meetings will be added throughout the Winter/Spring 2012.

If you would like more information please contact Kat Whelton at Kathleen.Whelton@state.ma.us or call 617-624-5163 (TTY: 1-617-624-5186)
